Globally distributed Delivery Model

The sub-contracting will happen where skills and Intellectual Property are available

Geography to which delivery to be made will also be taken into account while sub-contracting.

The transactions can be either from Parent Company to Subsidiary Company(ies) and vice versa and also among the Group Companies.

Price at arm's length - transfer pricing rules and regulations will apply.

All Related Party Transactions must be referred to Audit Committee for prior approval by the Committee in accordance with this Policy-

- irrespective of the value;
- even if the transaction is exempted;
- including any modification of such contracts.

3.2 Identification of Potential Related Party Transactions

Each Director and Key Managerial Personnel is responsible for providing notice to the Board or Audit Committee of any potential Related Party Transaction involving him or her or his or her relative, including any additional information about the transaction that the Board/Audit Committee may reasonably require. Audit Committee will determine whether the transaction does, in fact, constitute a Related Party Transaction requiring compliance with the Policy.

The Company strongly advocates receipt of such notice of any potential Related Party Transaction well in advance so that the Audit

Committee/Board has adequate time to obtain and review information about the proposed transaction.

What is not a Related Party Transaction? (Transactions that are exempted)

The transaction entered into by the company is:

In ordinary course of business (this is not a defined term in the Act and will have to be interpreted on a case to case basis) i.e. a business as stated in main object(s) clause of the Memorandum of Association of the company and should be a business which is usual or customarily carried on by the company at regular intervals; but on the contrary Clause 49 of the Listing Agreement does not specify any exemption for Related Party Transactions entered in ordinary course of business. and

On arm's length basis i.e. a transaction between two related parties that is conducted as if they were unrelated or in other words at competitive market rates prevailing, so that there is no conflict of interest. The price and other terms in the contract with the Related Party are to be similar as would be applicable to any third party.

However, in both the above circumstances a proof / evaluation is required to affirm that the transaction is not RPT. This would need to be consistent with domestic transfer pricing requirements as well under the Income Tax Act, 1961.

4.3 Prohibitions related to Related Party Transactions

All Related Party Transactions shall require prior approval of Audit Committee.

As per Clause 49 of the Listing Agreement all Material Related Party Transactions shall require approval of the shareholders through special resolution and the Related Parties shall abstain from voting on such resolutions.

To review a Related Party Transaction, the Committee will be provided with all relevant and complete material information of the Related Party Transaction, including the nature, terms and duration of the transaction, the business purpose, justification of the transaction, the benefits to the Company and to the Related Party, and any other relevant matters. In determining whether to approve a Related Party Transaction, the Committee will consider the following factors, among others, to the extent relevant to the Related Party Transaction:

Whether the terms of the Related Party Transaction are fair and on arm's length basis to the Company and would apply on the same basis if the transaction did not involve a Related Party;

Whether there are any compelling business reasons for the Company to enter into the related Party Transaction and the nature of alternative transactions, if any;

Whether the Related Party Transaction would affect the independence of an independent director; Whether the proposed transaction includes any potential reputational risk issues that may arise as a result of or in connection with the proposed transaction;

Whether the Company was notified about the Related Party Transaction before its commencement and if not, why pre-approval was not sought and whether subsequent ratification is allowed and would be detrimental to the Company; and

Whether the Related Party Transaction would present a conflict of interest for any Director or Key Managerial Personnel of the Company, taking into account the size of the transaction, direct or indirect nature of the director's, Key Managerial Personnel's or other Related Party's interest in the transaction and the ongoing nature of any proposed relationship and any other factors the Board/Committee deems relevant.

Whether the Company has obtained the opinion of an Independent Chartered Accountant that the proposed transaction is in compliance with the relevant provisions of the Companies Act, Income Tax Act and the Listing Agreement with Stock Exchanges.

Such approval of the Board should be obtained only at a duly convened meeting and cannot be obtained by way of a circular resolution or by delegating to any Committee of the Board [Section 188(1)]

Approval of Shareholders

Notwithstanding the foregoing, the following Related Party Transactions shall not require approval of Audit Committee or Shareholders:

- i. Any transaction that involves the providing of compensation to a Director or Key Managerial Personnel in connection with his or her duties to the Company or any of its subsidiaries or associates, including the reimbursement of reasonable business and travel expenses incurred in the ordinary course of business.

In the event the Company becomes aware of a transaction with a Related Party that has not been approved under this Policy prior to its consummation, the matter shall be reviewed by the Committee. The Committee shall consider all of the relevant facts and circumstances regarding the Related Party Transaction, and shall evaluate all options available to the Company, including ratification, revision or termination of the Related Party Transaction. The Committee shall also examine the facts and circumstances pertaining to the failure of reporting such Related Party Transaction to the Committee under this Policy, and shall take such action it deems appropriate.

In any case, where the Committee decides not to ratify a Related Party Transaction that has been commenced without approval, the Committee, as appropriate, may direct additional actions including,
